

# TWINKLE TRUST ANIMAL AID®

Charity Registration No. 1091253

Well 2021 is over and 2022 has begun so we wanted to thank all of you that supported us through the past year very much.

As most of you will know as a charity we rely solely on public donations, so with tourism at an all time low we have suffered greatly financially, so your donations have and still do mean so much to us.

We have been so lucky to have some success with rehoming, some very lucky cats now have a life they never knew existed, we have many more we would like to place, but know this may take time. If anyone is interested in adopting, please get in touch after the festive period.

We have been neutering all year, and it has been great to have Catherine come out a couple of times and spend time dealing with the more difficult cases, sometimes with the help of Suza a great friend of Twinkle's.

We had times when we are able to have our stall at the flea market at Parc Hollandes, restrictions can make it a bit unreliable, but Debbie and her team make it a worthwhile event for us, and we thank all that donate items for us to sell, and those attending.

2021 was the final year that Virgin Money were the sponsors of the London Marathon, we have been so lucky over the last few years to have Ryan Christie complete this raising funds for us, the last two years he took on the virtual marathon, this year accompanied by Gill's nephew Graham ( who set a personal best time)

Thank you Graham and congratulations.

Gill also took on the challenge of the virtual marathon accompanied by Amanda, everyone raising funds to help us. We are unsure if we will be able to gain further entries, so thank you all for taking on such a huge challenge for us.

Earlier this year we had our usual stand at Foal Farm, it was good to be out again after a couple of years break, and so good to meet all those that came to say hello. We will be keeping an eye out for opportunities for the coming year to have a stand at events, or other possibilities.

Hopefully this year sees our quiz nights growing at Zanzibar in Monticastillo, these evenings have proved to be a fun night out with many people enjoying the atmosphere, Debbie will post dates on Facebook and we hope you can come and enjoy a fun night.

We produced our calendars for 2022, they have sold well as usual, if anyone would like one we still have a small amount remaining, please get in touch, if your in Fuerte, it may take a little jiggling as the calendars are in the UK, but we will sort something I'm sure.

Please contact me, Alun at [twinkletrust@outlook.com](mailto:twinkletrust@outlook.com) and I will do my best to help.

We are also so lucky to have become friends with Real FM 107.9, Caleta's great radio station, Real FM is a great source of info about what's going on over the island, with News, live music locations and events, But they also play great music all day.

You can tune in via their App, Alexa skill, or via their website [www.realfmSpain.com](http://www.realfmSpain.com)

We wish everyone a Happy New Year, that things can get back to some form of normality and that all of you missing the island get an opportunity to return safely.

We of course send hugs and thanks to all our fantastic volunteers, they always go above and beyond our expectations, without you it wouldn't be possible, Thank you so much.

*Happy New Year*
